MEMORANDUM FOR: Deputy Director, Intelligence Community Staff

THROUGH: Chief, Administrative Staff

SUBJECT: Request to Visit SHAPE/NATO [REDACTED]

1. I request that [REDACTED] COMIREX Executive Secretary, be authorized to visit SHAPE/NATO Headquarters in Belgium on or about 12 August 1985. [REDACTED] will be on annual leave during the first two weeks in August and traveling in Europe on a self-financed vacation trip under a tourist passport. Because he will be touring in the vicinity of Mons and Brussels, this would be a good opportunity for him to visit SHAPE/NATO at no travel cost to the Government. (C)

3. If you approve this request, [REDACTED] will effect the necessary coordination through [REDACTED] and DIA for theatre clearance. [REDACTED] will go on duty status during the period of the visit. I anticipate that the visit should only involve a few hours of time and there would be minimal per diem costs. (C)
